## Coach's Corner – One week to go!

Good afternoon friends and families of MCS,

One week to go in another busy school year! As we approach next week, I want to say a big thank you to our families and teachers. The last 2+ years have been difficult on many levels. Your dedication to MCS is greatly appreciated. The last couple of months have been more normal and our students, staff and families have been able to experience many of the activities we participated in before the pandemic.

As we look forward to September and a normal school year, I am excited for what is to come!

Blessings,  
*Mr. Martin*

## MCS CLASS OF 2022

3

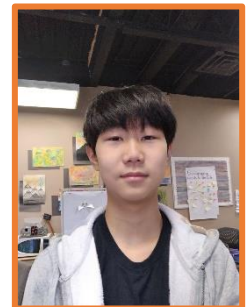

At MCS, I have experienced both funny and frustrating moments. There is one memorable moment that is my favorite. In 2021, during the walk-a-thon that took place on the horse track, it was fun to run around and play frisbee while having snacks. I remember just having no shade cover at all and the sun shining and blinding my eyes while sweating under the heat. Heading back after the race, everyone was tired, and I had accidentally jumped into a deep puddle while retrieving Mr. Bierling’s jacket! It was the perfect mixture of frustration and laughter. I will miss the fun and serious times with

my peers and the different teachers we met. I will miss the times that we got to know each other and hang around with each other. Looking to the future, I am excited for all the new opportunities and new people I will meet at Iroquois Ridge in Oakville. **Ellen**

There are many things that I enjoyed while attending MCS, but the one I liked the most was the soccer tournament. I played frisbee, badminton and several tournaments, but my favorite was soccer. Soccer was fun to play, and we played a lot of matches. The weather was nice that day. Unfortunately, we lost a few games. I will miss the people at MCS. **Youngwoo**
